Leake Hits At Irregularities In Rum Control

SODA SPRINGS—The prediction that "a lot of Samish money will be seen in advertising as we go on the home stretch to the June 8 primaries" was made here by Paul Leake of Wooland, member of the Board of Equalization from the Third District.

Leake was appointed to the board in December, 1952, by former Gov. Earl Warren, now chief justice of the United States. Leake is a candidate for the office in the June 8th primary election.

Speaking to Rotarians and their guests from Truckee, Grass Valley and Nevada City at Donner Summit Lodge, Leake called for greater interest in the state legislature and the Board of Equalization on the part of individual voters.

The meeting was presided over by Johnnie Richards of Truckee Rotary, host at the meeting and Leake was introduced by James Sherritt, program chairman.

"Public indifference to state government reduces democracy to a pretty word useful for Fourth of July speeches by politicians," Leake said. "Artie Samish has been truthful in saying that the way to get rid of him is to take more interest in our legislature and the men who aspire for positions on the State Board of Equalization.

Leake urged his audience not to underestimate the power of dishonest lobbyists in "The Third House" in Sacramento.

"Lobbyists are not black-cloaked villains," Leake declared, "nor are they the Rudolph Rassendales of politics. There are good lobbyists and there are bad ones. Without the lobbyist, the state legislators would sometimes have trouble functioning at all."

He said there are 400 registered lobbyists in California, operating at an annual cost of something like $800,000.

"Most of them are honest," Leake said.

Responsibility for "our incredible mismanagement of the Alcoholic Beverage Control Act," wits its attendant problems of alcoholism and juvenile delinquency, "boomerangs right back to the individual citizen," Leake said.

He asked his audience if they could name ten state senators or ten state assemblymen.

"Can you name the lobbyists who often crack the whip for senators and assemblymen and others who make and theoretically administer our laws?

"How much do you know about these men, who use all kinds of methods, some acceptable, some just this side of shady, to influence your legislators?"

Leake told his audience that the legislature affects their finances, their education and their liberties.

"We are bemused by dramatic events in Washington and Indo-China," he said, "and forget we are citizens, not only of the world, but of a nation and a state."

He declared that Californians have a "responsibility for correcting the present mishmash in the State Board of Equalization."

The present system, under which the board attempts to administer taxes and liquor control simultaneously, results, Leake said, in a "permanent New Year's Eve for dishonest liquor lobbyists waving their checkbooks and dangling tempting bait before the noses of legislators and members of the all too vulnerable board."

He urged support of the proposed bill divorcing liquor control from the Board of Equalization and vesting it in a new department of liquor. The bill was passed this spring by the legislature, and comes up before the voters in November.

"Dictators of the liquor industry are yelping in full cry against the proposed amendment," Leake said.

"They show their stupidity because their industry does not really benefit from alcoholism and juvenile delinquency. But they are stupid and short-sighted men, more interested in today's checkbooks than tomorrow's oblivion.

"They are all-out against the proposed amendment.

"They are pouring thousands of dollars into a campaign to defeat your board member from the Third District—because I have done everything in my power to tell citizens the truth they deserve to know.

"As for me, I am satisfied to state the case," he declared. "I believe that when my fellow-citizens know the truth they know what to do about it."

"No candidate for office who accepts the backing of Samish and his employers will not be beholden to them," Leake said.

"I don't believe in political strings. I don't like them.

"I don't believe a man can do a fair job in a responsible post when he owes a debt of money that can be paid off only in influence. I have not accepted and will not take one cent of financial support even from personal friends.

"You can defeat Samish and his employers where they no longer can ignore you—at the polls.

Shotgun Thugs Holdup Station Leave With $250

Two armed robbers early Tuesday morning held up Charles Thomas, attendant at Ed Hellar's Union Station at Bridge and Main streets and escaped with $250 in cash and credit slips.

Thomas told Deputy Sheriff Roy Waters and Constable N. F. Dolley that the two men approached the station on foot, coming from the Southern Pacific Company tracks between the station and the fire house.

One of the two, he said, did not put in an appearance but the other approached with the lower part of his face covered with a handkerchief and carrying a shotgun. The latter forced Thomas to enter the tire room and lay face down on the floor. While the shotgun robber kept Thomas covered, the other man reached under the shelving and produced a key to the safe and calmly looted it.

He then asked the person guarding Thomas to take the latter's key to the cash register and this was also emptied.

Ordering Thomas to remain in the prone position, the two took off across the S. P. crossing going in a southernly direction.

Thomas summoned Waters and Dolley was called to assist in the search. Two suspects were questioned by the officers but because Thomas was unable to obtain a description of the pair, no one was held.

SUNBEAMS

By WALTER M. BARRETT

In looking over the candidates for governor at the June 8 election, we have come to the conclusion that the best interests of our local communities would be served by the election of Gov. Goodwin J. Knight to a four-year term at the primary on June 8. For 20 years his principal opponent was a lobbyist before the legislature on behalf of the major municipalities of our state, a position he relinquished along with his long-standing registration as a Republican to run for governor early this year. His record of opposing the fundamental interests of the unincorporated rural areas and smaller towns is long and consistent. One of the latest measures of this nature he advocated—unsuccessfully—was a 33 per cent increase in the state sales tax with the added funds to go into the treasuries of the cities of California. Earlier—and with an equal lack of success—he advocated reapportionment of the state legislature to further reduce the representation which is so vital to less populated areas. Contrasting this with the personal concern of the incumbent with the problems of our mountain communities and his demonstrated sympathy with the needs of this region, we believe the voters of the Truckee, Tahoe and Donner areas should register a strong vote of confidence in Gov. Goodwin J. Knight on June 8.

No litigation is now pending or threatening concerning the validity of the formation or existence of the District, of the bond proceedings or of the right or qualifications of any officer of said District to hold such position.

NEVADA COUNTY'S

District Attorney

EXPERIENCED . . . EFFICIENT

14 years of public service to Nevada County . . "Around-the-clock" faithfulness to the office . . . with administration reflective of sincere respect to the taxpayer's dollar.

THIS IS DISTRICT ATTORNEY VERNON STOLL'S POLICY:

1. To prosecute only those against whom exist substantial evidence of guilt.
2. Keep in mind the dual purposes of the criminal courts.
   (a) to protect society from the law violator, and
   (b) As most persons convicted of crime must one day return to society, to cooperate in securing their early rehabilitation for their return to a self-supporting position in society.
3. To give priority to the demands of the District Attorney's Office, and within the office, have always followed the rule that "first things come first."
4. To furnish to the Board of Supervisors and officials of the County that which the office is supposed to furnish:
   (a) Advice as to the law
   (b) Information as to facts which might influence their actions.
   "I have never sought to substitute my judgment for that of the elective public officials of the County."
5. Considered all questions presented to the District Attorney's Office too vital to be given an off-hand answer, and furnish opinions only after research and consideration convince me that the opinion is correct.
6. To give all individuals, groups and areas equally considerate treatment, preventing the use of this office as an instrument of pressure, oppression or revenge or for securing political advantage.
7. To maintain regular office hours and to be available to all law enforcement agencies for consultation concerning law enforcement problems at all times.

The policy has been proven—The man is proven — RE-ELECT VERNON STOLL

NORTH TAHOE

By JUDGE HARRY CHARRISON

By the time this article is read at Kings Beach, the dial system will be in full working irder, as May the 27th was the day set for the great event in our area. This, as has been said before, is yet another step forward for this fast growing community and we are mighty proud and appreciative of the efforts of the Pacific Tel & Tel, and its manager, Howard Newsham, giving to the subscribers this added convenience. Maybe we call tell a little more of how it feels to be cityfied in our next issue.

Had a nice visit from Wayne Booth of Glendale, who is up here with the probable intention of making his home in or around Kings Beach, as he has had about enough of the smog that still prevails down thereabouts. His business is brick mason.

Was inspecting the new home of Mr. and Mrs. Leo Ralston. It sure is a dandy. It's right behind the Bonnie Beach Resort in Kings Beach. The Ralston's are from Roseville and hope to move into this summer home early in June—that is if Dave Ashton has it ready by then.

Don't forget the elections will be held next Tuesday week June 8th, put your thinking caps on now, so that you won't be disappointed, and grumble at the results.

A delightful pre-season barbeque steak and cocktail party was held on the spacious lawn of Pack and Ila Braden, of Edgelake Beach Resort at King Beach, last Saturday. Jumbo steaks, cooked to a turn by none other than Buck Harris of North Shore Lodge, were delicious. Among those fortunate enough to attend were Buckey and Mrs. Harris, and Jack and Ila, who were the hosts, Earl and Mrs. Gray, Larry and Mrs. Ludlow, Bill and Bonnie Bates, Tom and Mrs. James, Eugene Jarvis and his sister, Mrs. Stewart, Mrs. Petts of Sun and Sand lodge, Mr. and Mrs. De Bolt and two children, and a crew from North Shore Lodge, and Richard and Ruth Lavery and my wife and I. Thanks, Jack and Ila.

Rev. A. B. Covher preached a splendid sermon last Sunday at the Wee Kirk of the Pines, Kings Beach, "The Meaning of the Ascension," after singing that beautiful song " I won't have to Cross Jordon Alone." Mrs. Covher was at the organ in the absence of Mrs. Ruth Mizner, the regular organist. It was reported that the parsonage will not be ready till the 6th of June for open house. New benches for the open air chapel will be forthcoming pretty soon and that will be more comfortable for the summer days. Don't forget the date for the dinner which is set for June 5th at Cal-Vada lodge. Joby Lewis is donating all food so let us do our part. What an opportunity this is, let's not fumble now.

Lee Madden, secretary of the Lake Tahoe Lions Club and representative of the club of the District 4A Lions convention at Hobergs, reports that he was successful in getting the convention for May 1955 for this area with the headquarters at Val-Vada Lodge. This will mean about 500 to be fed, housed and entertained at that time. This is significent in the fact that Lionism has only been in this area for three years, the club at Kings Beach being the first to obtain a charter in the Lions International. Lots of credit is coming to Lee for his achievement, as this is bound to lead to bigger things in the future.

We had a nice viist from a Mr. and Mrs Leon C. Vincent of Pasadena during the week. The Vincents were friends of a great many years standing and it was their first visit to the lake, and naturally wondered why it was that way, as the area is the most beautiful place they had ever seen and they intend to come back at the first opportunity.

At the meeting of the Brockway Rotary at Cal-Vada Lodge last Monday quite a lot of visitors were present and included County Supervisor Frank Paoli, Coroner Francis West, Lee Madden, Clarence S. Beavers, forest service, who gave a very interesting talk on fire dangers in and around the area. This was very timely inasmuch as the forest area is the dryest in years, which calls for extreme caution even around your own backyard, so let us be on guard, Smokey says.

I understand Robert G. Arney of the Shell Station, Kings Beach, has really been sick for nearly two weeks, but by all accounts he is progressing very favorably now. Mrs. Arney, accompanied by Ruth Mizner, have left on a wee vacation to Oakland.

Have you noticed the Truckee short cut? Some of those nasty and dangerous curves are being straightened out much to the satisfaction of us locals. In talking to Frank Paoli, our supervisor, was informed that big improvements are in store for this area, so we expect real roads in the very near future.

NEW, LARGER SCREEN AT BROCKWAY SHOW

KINGS BEACH — Tom Lucas, manager of the Brockway Theater this week completed installation of a new wide screen at the theater, virtually doubling the size of the picture.

The new panoramic screen not only increases the picture from 11 by 15 to 24 by 12, but gives a clearer view and more striking detail. The same screen is used in some of the larger theaters in cities.

Was down at the Gold's Goldcrest Lodge the other day and was surprised at the improvements down by the lake. Just full of pansy blooms and a real harvest of strawberrys is in the offing, just longing for a taster.

Earl and Mrs. Gray of real estate fame have almost got the brand new apartments finished. They sure do look swell. Good for you, Earl.

It was a good night for the Tom Suttons of the Buckhorn at the grand opening on Saturday night. As was predicted, the smorgasboard was tops. It is estimated that around 300 attended with quite a few unable to squeeze in, tough luck for them I'll say. The host and hostess were at their best. What hospitality —it was wonderful.

Oh, yes, I was up to Eugene's Chalet at Crystal Bay, a couple of days ago. It is a delightful spot right on the brink of the roadside overlooking the lake. It is going to be a whole lot better than I thought possible and I understand his sister, Mrs. Stewart, is going to stay for the summer. Stop and visit with them.

SWANEE'S Lake Tahoe Letter

Tahoe City, May 22nd

Dear Tahoeites:

Weather continues warm and sunny, although a few nights have been plenty cool. Looks like summer is here.

The directors' meeting of the Lake Tahoe Sierra Chamber of Commerce was held last night at Ski Run Tavern, at South Tahoe with 16 present and President Fred Main presiding. A dutch treat dinner at 7:30 preceded the business session. It was generally agreed that attendance could be vastly improved and George Canon delivered one of his interesting "pep" talks, urging that all Lake Tahoe business people get together and promote Tahoe's outstanding assets. It was revealed that 8,000 new residents are pouring into California daily and six millions more cars can be counte dthan last year.

June 14th and 15th are the dates set for the Membership Caravan which will feature a stream of cars of interested members making the trip around the lake visiting places of business and urging all to join Tahoe's up and coming chamber of commerce. Details of the trek will be announced later.

Will Bliss gave an interesting discussion of the Washoe project which he and many other Tahoeites are not favoring. He showed the gathering a graph indicating high water mark of 6229.1 would be allowed to reach this point frequently if Lake Tahoe were used as a reservoir as sought.

The next meeting of the chamber is tentatively scheduled for June 11th at the Tahoe Community Center. At that time a new director will be named to suceed Bill Jenkinson, whose term expires.

Alfred Castellanos, matre de at Squaw Valley is returning soon from a vacation trip to Guatamala where he had been visiting members of his family. Mrs. Castellanos and their son, Michael and daughter Cookie, have left for their home at San Mateo. They have been renting the Olander home at Pineland.

Mr. and Mrs. Hal Sharrow and children Jayne and Steven of San Anselmo are opening up their summer home in Pineland this weekend.

Mrs. Jeannette Mitchell of Sunnyside has received her permit from County Health Officer Ruby Saul at Auburn to operate a rooming and boarding house this summer.

Jim and Betty Baker and daughter Yvonne returned to their home in town Saturday. Mrs. Baker has been visiting for several weeks in Merced and Berkeley.

Mesdames Pearl Snyder, Myrle Rose and Jeanette Mitchell motored to Placerville May 18th where they attended the Tri-County luncheon meeting of the Federated Womens Clubs and the meeting which followed. Assemblyman Francis Lindsay was the principal speaker. Members and friends of Mrs. Marguerita Webb, Tri-County president, who has a home at Tahoe Park, were sorry to learn that she had tendered her resignation. Mrs. Webb has devoted much time during the past years working for various projects for the clubs and her efforts will be sorely missed.

The Don Humphries, former residents of the Sunnyside district, are now making their home in Lake Forest.

Mrs. Janet Watson of Tahoe City has improved in health to such an extent that on Monday Mrs. Gerda Kvistberg, who has been nursing her back to health, concluded her professional services. Friends and neighbors are now free to visit as usual, once again.

The Ray Fraziers, former Lake Forest residents, were weekend guests recently over the weekend at the Phil Geier home at Tahoe Park. The Fraziers are now living near Georgetown and are making arrangements for rerenting their Tahoe home, which will be vacated by the Robert Briggs in June.

Most of the town turned out last night for the formal opening of Bacci's Lake Forest Inn.

Mr. and Mrs. Herbert Haley, for over 16 years residents of the lake area, have been engaged as caretakers by the M. O. Johnstons of Glendale at their Sunnyside home, replacing the late Charles Swanson. The Haleys were caretakers for some years at the Sidney Ehrman estate near Meeks Bay and later at the Drum estate.

Will ring off for the week with a gentle reminder to drive carefully over the Memorial Day weekend. It's so much better to be safe than sorry. My best wishes for good health, good luck and happiness to you all.

SWANEE.

REALTORS AT TAHOE LOOK FORWARD TO BUSY SUMMER SEASON

TAHOE CITY—Realtors at Tahoe City are reporting lively interest in lake property although the season is still young. Many fine sales have already been completed and it looks like a good year ahead.

Mrs. Elsie Martin, Tahoe City realttor, this year will be assisted by Wayne M. Harris of La Jolla. He has just purchased the R. A. Wells home in Tahoe Pines which is near the old Fleishhacker estate and his wife and family will join him this summer. Their only son, Wayne has just graduated as a civil engineer from Washington University and has entered officers' training at Newport, Rhode Island.

Mrs. Ruth Droste of Tahoe Realty is being assisted this summer by her nephew, James Lorentz of Sacramento who was formerly associated with the Joseph Ruzich Realty Company of the capital city. He plans to make his home at Tahoe and will be joined by his wife and four children in June.

INJURED BY FALL

TAHOE CITY—Mrs. Harrie Tackett, who with her husband is employed at Homewood Resort for the summer, suffered a painful fall down the stairs at the hotel last Thursday and is confined to the Tahoe Forest Hospital at Truckee.

"SAVING" DEER IS DANGEROUS AS WELL AS ILLEGAL

SACRAMENTO — In one swift blow with its sharp hooves, a deer can kill a coyote or a hunting dog It can also kill a child or seriously injure a grown man.

For this reason alone, advises the California Department of Fish and Game, it is foolhardy to take a fawn home from the woods to make a pet out of it. Another good reason to keep hands off is the possible fine of $500 and the six-month jail sentence.

Each year fish and game wardens are called on to dispose of "gentle pets" that have turned on their surprised owners.

Lawsuits over pet deer that have slashed a neighbor or an overtrusting child are not uncommon.

The deer is basically a wild animal, the department points out. It can never be completely tamed with even the wisest care.

A deer that is used to people is doubly dangerous, because it has lost its natural fear of man.

A further tragedy, the department relates, is that the weak wobbly fawn that soft-hearted people "save" in the woods are usually not orphans at all. They have not been lost or abandoned by their mothers.

Hiding her fawn in deep grass or behind a log is the deer mother's main protective device, for during the first few days of her child's life its spindly legs are too weak to run from danger.

And if the fawn is not "kidnapped" by some well-meaning vacationist, its mother will soon come back to raise it into the strong, free creature of the forest that nature intended.

LEASE HOME

TAHOE CITY— Mr. and Mrs. Sam Goss of Tahoe City have leased their home for a period of one year, with an option to buy, to Dave McBride who moves with his family to the lake on June 1st. The Gosses have purchased a new 33-foot trailer and will make their home for the summer on their lot in Lake Forest.

There were 50,000 more persons injured in U. S. motor vehicle accidents last year than in 1952.

In 1953, 8,600 pedestrians were killed in U. S. traffic accidents.

...WATER...

The population growth of a community cannot continue beyond the ability of the community to supply its people and industries with water.

A good water supply system therefore is a part of every realistic community plan for the future.

Your District is now in the process of adding an additional 100,000-gallon reservoir to its system to take care of the present and future growth in the Gateway and Meadow Lake area of Truckee.

The Board of Directors and Management of the District are constantly planning for the future demands of power and water in the area.

KINDERGARTEN—This week we concentrated on rote counting. Those who count to 100 are: Sherry Borden, Charles Hintz, and Fosten Wilson.

Heidi Euer celebrated her sixth birthday on Wednesday, May 19.

Monty Straub left this week for a vacation with his parents.

Visitors in our room this week were Mrs. Orval Vaughn, Mrs. Albert Teall, Mrs. Margaret Ryason, and Mrs. Joel Straub.

On June 3, we plan to have all kindergarteners stay for lunch as preparation for next year.

1st GRADE—Gregory and Skipper were absent this week. We hope they are back Monday. We wrote letters and drew pictures for them. We made finger paintings, using two or more colors on a painting. They look very nice.

Eric Scow brought a lizard to show the class.

3rd GRADE—An excellent report was given by Linda Elf about her recent trip to Nebraska.

The sixth grade won the baseball game 19-9, but the fifth grade did well.

WHAT'S DOING
H. J. Newsham, your Telephone Manager in Truckee

Where safety is always in style

The man inside the strange garments (at right) put them on to show you the wide variety of safety devices we use today. Of course, it isn't likely a telephone man will need all this equipment on any single job. But whatever the job, telephone men have the safety devices and techniques they need. Making safety our style pays off for you. For we think a job must be safe to be good. And only good jobs can hold the capable people needed to bring you more service, dependable service, at lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Save time—look up numbers before you call

You know, telephone numbers have a way of getting twisted when you rely on memory alone. So, to make sure you get right numbers the first time you call, look in the telephone book for those you're doubtful about. And to help you keep handy the numbers you call most often, we'll be glad to send you a free booklet to list them in. Get your copy by calling, writing, or dropping in at our business office.

Tonight at 10 P.M. telephone users in the Brockway-Crystal Bay area will no longer hear that friendly telephone voice saying **"Number Please"** —because tonight all the "phones" will be in dial operation.

After many months of hard work—like building a new office, putting up new poles and cable and converting the telephones for dial use, we will pull a few wires and you'll hear a new voice—a steady hum, meaning, "Please dial I'll get your number for you."

If you are a little wary of the dial call your operator or the Business Office and we will be glad to assist you—also don't forget we have plenty of telephones available for use as extensions, so give us a call and find out what a bargain it is to have that extra telephone in today's high prices. We guarantee you will be amazed at the low cost.

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week.

One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price $119.50, bargain price *$149.50*." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a *bargain* to be more careful in the future.

TARZAN AND GOYAT PLUNGED INTO A DEEP PIT. THE APE-MAN SCRAMBLED TO THE TOP, BUT ALREADY HIS CRAFTY ENEMY STOOD IN WAITING!

SLUG STRIPER SNEERED AT TARZAN, THEN ADDRESSED THE NATIVES. "BEHOLD, WHILE YOUR WHITE GOD PROVES HIS SUPERIORTY OVER THIS BUMBLING SAVAGE--"

"WE WILL DUEL--A GUN AGAINST A BOW AND ARROW!" THE APE-MAN GRIMACED. TREACHERY WAS IMMINENT, BUT HE HAD NO CHOICE--

"I PRESUME YOU CONSENT," MOCKED STRIPER, "SO WE WILL PROCEED TO THE EDGE OF THE VILLAGE"... MEANWHILE, GOYAT SNEAKED AWAY FROM THE PIT.

"WE STAND APART, OUR WEAPONS ON THE GROUND," EXPLAINED STRIPER "AT THE FIRST BEAT OF THIS CEREMONIAL DRUM, WE DRAW-- AT THE SECOND, WE FIRE!"

THE NATIVES CROWDED TOGETHER, EAGER TO WITNESS THIS COMBAT OF SUPERNATURAL GIANTS. TENSION MOUNTED AS NOW, WARILY, THE MEN TOOK THEIR STATIONS!
